Important precautions (1/2)

1. Customers who weigh more than 85 kg needs to contact us beforehand.

* Please contact us and let us know about your weight for the safety. In order to have a safe flight, we might cancel the program considering the condition of the wind or the health condition of customer his/herself.

2. Please keep good physical conditions.

- * We walk on the sand dune with baggage. After the flight, we need to carry equipment up the sand dune. Lack of sleep, lack of exercise, and hangover are going to be the cause of the heatstroke. Please take a good rest and get ready for the flight.
- * Even if you arrive at the sand dune early, we recommend not to walk around before the flight and take a rest.
- * In addition, we kindly ask parents to help carry equipment if children are participating our program.

3. The flight may be canceled due to the bad weather.

* Please note that program could be canceled by either strong wing or strong rain.

4. Please be on time.

* In case you will be late, please contact us as fast as possible for the convenience of other customers.

Important precautions (2/2)

5. The roads nearby are very crowded especially during the holidays.

* During the holiday seasons, the roads nearby are often very crowded. Please consider extra time for your arrival.

6. Fee will be charged for the last-minute cancellations.

• On the day and the day before: 100% of the fee

• 2 days before: 50% of the fee

• 3 days+ before: Free of charge

* Please inform us of any changes to your plans as soon as possible.

* No cancellation fee will be charged in case of program cancellation due to bad weather.

7. In summer, we restrict participants depending on the time of day.

* In summer, programs starting at 9:30~ and 12:30~ are expected to be conducted at very hot sand dune. Participation during these times is limited to those who exercise regularly or who are used to the hot weather. For others, we recommend to participate in the early morning (at 6:30am) and the afternoon (at 15:30pm).
